Easter’s a great time to invite a friend

Palm Sunday was a great day at Boston Avenue, with children’s choirs processing with palm branches (shown at left) and the Easter egg hunt. This Easter Sunday will be even better, and it’s a great opportunity to invite a friend, relative, or co-worker! If you know of someone who will miss out on the joy and excitement of Easter because they do not have a church home, why not invite them to come to church with you? You’ll be doing them a real favor.

Easter Offering helps provide vital human contact for elderly Tulsans, support and training for Oklahoma congregations’ volunteer-in-mission teams

Meals on Wheels

Elderly Tulsans and those with handicapping conditions are often able to continue living comfortably at home, thanks to Meals on Wheels. The organization’s mission is to promote the dignity and independence of the disabled, the elderly and other homebound persons by delivering nutritious meals and coordinating needed services.

Frank Hammerschmidt heads our church’s Meals on Wheels effort, and a number of B.A. volunteers deliver meals to provide hot, nutritious food and daily caring contact, friendship and security.

Meals on Wheels, a recipient of our Easter offering, delivers around 5,000 meals weekly and will serve about 1,500 Tulsans this year.

Oklahoma VIM Director

Local churches in Oklahoma have a wonderful resource for training, support and guidance for their volunteer-in-mission teams, thanks to our conference’s commitment to missions programs. The Oklahoma Conference provides a VIM Director and staff.

Last year Boston Avenue sent one adult team to work on a reservation near Hart Butte, Montana, and another to help Hurricane Katrina victims in Biloxi, Mississippi. Our senior high youth traveled to Rio Bravo, Mexico, over Christmas break and a college VIM team worked in New Orleans. All four teams relied on the VIM director for travel arrangements, training, and coordination with the destination sites.

Students at our adopted school, Burroughs Elementary, will soon be involved in 2007 state-mandated testing. This testing period is extremely important to the school as well as to each of the students.

Burroughs counselors need our help to make sure the testing goes well and is done according to state regulations. Testing monitors are needed to work one or more mornings from 8:45-11:30 on April 16-20 and April 23-24.

Ten monitors are needed each day, which means that 80 volunteer sessions must be secured. Since most of the Burroughs parents work, it is difficult for the school to round up so many volunteers.

All a monitor has to do is sit in the room during testing and help the teacher watch the children. It is a very easy task.

Snacks are also needed to help the children do their best during testing. The school is asking for donations of cheese crackers, peppermints (which have been shown to improve concentration), and bottled water.

If you can help serve as a monitor or help provide snacks, please contact the Rev. EvaMarie Campbell at 699-0120 or email evamariecampbell@bostonavenue.org.

Books needed for Project Transformation

By Debbie Peterson

Want to help Tulsa-area children improve their reading skills? You can do so by donating new or gently used books to be used in our Project Transformation urban ministry this summer.

This United Methodist-sponsored summer day camp provides an opportunity for inner-city, elementary-aged children from diverse backgrounds to increase their reading skills as they enjoy fun summertime activities. There is a special need for interesting books with chapters for older elementary children, but all books are welcome.

Donated books may be placed in the book collection basket in Bishops’ Hall. For more information, please call Jeanne Brosius-Smith, Project Transformation Coordinator, at 622-6174.

U. M. Children’s Home needs baskets

Our United Methodist Children Home in Tahlequah, one of the Oklahoma Conference Circle of Care facilities, will host a SpringFest on Saturday, May 12, with an art show, music, a car show, pony rides, tours of the facility, and a silent auction. If you would like more information, contact Jeanne Brosius Smith, 622-6174, or Jane Anderson at the Children’s Home, (918) 456-6166.

Bishop Hayes, youth visit at MLK Service

Our youth turned out in good numbers to show their support for the Martin Luther King Service Sunday. After the service they presented Bishop Robert Hayes with a T-shirt like the one they wore for Saturday’s parade. Here the youth are pictured with Bishop Hayes (center back), and directors Debbie Peterson and Audra Fogle (back right).

Youth News!! . . .

“Know Who You Are” has been our theme for ministry this year. I am so proud of your participation in the parade and the Martin Luther King service. When you make time to be a part of interfaith activities and MLK celebrations you make a statement to the world about who we are as Boston Avenue Church!!!

It was a great weekend!! Who would’ve thought we would get sunburns during the MLK Parade?!?! Usually it’s frostbite!

I’m looking forward to the upcoming Interfaith Tour on Sunday, April 15th, from 12-6. There we will reach out again to help make our city a better place where we learn how to respect each other and grow in our faith!

How very good and pleasant it is when kindred live together in unity! For there the LORD ordained blessing, life forevermore! - Psalm 133

Easter Sunday is more than bunnies and marshmallow chicks. Come and be a part of our celebration in room 320 as all youth, mid-high and senior high, gather together on the third floor to celebrate this special day.

We will begin promptly at 9:30 with our guest, Steve Smith, a renowned balloonist and impressionist. Steve will bring the Easter message to us with a creative flair, the message of the hope we find in the resurrection. We are eager to greet you on Easter morning!!!!

Faithfully yours - Debbie and Audra
