## ***What is Youth Force?***

*Youth Force is a week-long mission event held every summer. Working in “God Squad’s” of six to eight youth and two adults, participants are given opportunities to repair homes of needy or elderly families. The week offers a rewarding mission experience, including daily work of job sites, recreation, morning and evening worship.*

*The youth of Boston Avenue UMC have participated in Youth Force in the past. It is a great week where our youth have the opportunity not only to be in mission to others but to each other as well. It is a fantastic week that helps us remain focused on who we are as a youth group.*

*Youth are closely supervised and the ratio of adults to youth is one to five. If you have any questions or concerns please call Audra 699-0130.*
