Circles & Squares

Are you wondering what in the world we mean by circles and squares? Then you need to come to our meeting at 7pm this Wednesday on the 4th floor to find out!

We will be planning our summer and fall activities, including missions, social events, outdoor ministries, the way we communicate, how to make others feel welcome, etc. There is a spot for EVERYONE! Whether you want to lead or follow, be out front or behind the scenes, it takes all of us to make our group great! Join us and you can plug-in with what interests you!

Bring your calendar, and be thinking about what you'd like to do. We'll have Freckles custard for our snack! No need to rsvp, just be there Wednesday night!

Sign Up for Camp!

Sunday School

**Freshman and Sophomores will be taught this week by Jim Embrey.
Juniors will be serving brunch for the seniors in Jubilee Hall.**
